**ADDENDUM TO PROOF OF CLAIM OF  
ACE AMERICAN INSURANCE COMPANY**

1. This Addendum is attached to and a part of the proof of claim (the "Proof of Claim") filed by ACE American Insurance Company (together with its affiliates and successors, the "Claimant" or the "ACE Companies") against Knight Energy Holdings, LLC, and the other entities set forth on Exhibit "A" attached hereto (collectively, the "Debtors") in their respective bankruptcy cases. As the documents supporting this claim are voluminous and contain confidential information, Claimant has not attached such supporting documentation to Claimant's Proof of Claim. Copies of the documents referenced herein are or should be, upon information and belief, in the possession of the Debtors, and Claimant will provide copies of such documents to other parties upon request provided that appropriate steps can be taken to ensure their confidentiality, as necessary or appropriate.

2. On August 8, 2017 (the "Petition Date"), the Debtors filed their respective voluntary petitions for bankruptcy relief under chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") in the United States Bankruptcy Court for the Western District of Louisiana (the "Court").

3. Prior to the Petition Date, the ACE Companies issued certain insurance policies (as renewed, amended, modified, endorsed or supplemented from time to time, collectively, the "Policies") to the Debtors as named insureds.

4. Prior to the Petition Date, the ACE Companies and the Debtors and/or their affiliates also entered into certain written agreements in connection with the Policies (as renewed, amended, modified, endorsed or supplemented from time to time, and including any exhibit or addenda thereto, collectively, the "Insurance Agreements").

5. Pursuant to the Policies and Insurance Agreements (collectively, the “ACE Insurance Program”), the ACE Companies provide, *inter alia*, certain workers’ compensation, general liability, automobile liability, international casualty, excess workers’ compensation, excess general liability, energy/mining, accident and health, and certain other insurance for specified policy periods subject to certain limits, deductibles, retentions, exclusions, terms and conditions, as more particularly described therein; and the insureds, including one or more of the Debtors, are required to pay to the ACE Companies certain amounts including, but not limited to, insurance premiums (including audit premiums), deductibles, funded deductibles, expenses, taxes, assessments and surcharges, as more particularly described in the ACE Insurance Program (the “Obligations”).

6. To the extent that a Debtor is an insured under the ACE Insurance Program and has in the past or the present received, or in the future receives, any benefit under the ACE Insurance Program related to any claim made by or related to such Debtor under the ACE Insurance Program, including but not limited to any payment by any of the ACE Companies to or on behalf of the Debtor with respect to a claim made under the ACE Insurance Program, then the Debtor is jointly and severally liable with other insureds for the Obligations arising with respect to such claim under the ACE Insurance Program.

7. As of the date hereof, the Debtors are liable to the ACE Companies

8. As of the date hereof, the Debtors are liable to the ACE Companies in the amount of \$170,285.65, plus the estimated ultimate amount of \$3,668,444.73,<sup>1</sup> plus additional contingent and unliquidated amounts (collectively, the “Claim”) for the Obligations.

---

<sup>1</sup> This estimated amount is based on the ACE Companies’ most recent collateral calculation for the Obligations under the ACE Insurance Program. The estimated portion of the Claim is based on a snapshot in time, and does not fully account for, *inter alia*, incurred but not reported claims, claims that are closed (Continued...)

9. The estimated amount of the Claim is based on, *inter alia*, actuarial calculations and financial factors including those disclosed in relation to the bankruptcy case.

10. Although the Claimant has provided an estimate, part of the Claim is currently contingent, unliquidated, and subject to further and future adjustments and estimations by the Claimant, from time to time, in accordance with the terms of the ACE Insurance Program including, without limitation, (i) adjustments for any change in the financial condition of the insureds and/or (ii) addition of amounts that may become due for premium, deductibles, expenses, taxes, assessments and surcharges.

11. The Claim is evidenced by the ACE Insurance Program, including, without limitation, those Policies and Insurance Agreements listed on Exhibit "B" hereto.

12. A portion of the Claim is or may be entitled to administrative expense priority under 11 U.S.C. §§ 503(b) and 507(a)(2).

13. The Claim is secured by the proceeds of a letter of credit in the amount of \$3,668,444.73 (the "LOC Proceeds").<sup>2</sup>

14. The Claim may also be secured by letters of credit, cash collateral, paid loss deposit funds, or other amounts.

15. The Claimant reserves and preserves the right: (a) to file and seek payment of additional claims for (i) administrative expenses, (ii) attorneys' fees and costs, and (iii) cure

but could reopen, and unexpected development of claims. Generally, any such estimate can change at any time and in certain cases, on a daily basis, as the insured's financial condition changes and/or losses/claims are reported, develop, are reanalyzed, or are paid by the insurer and/or reimbursed by the insured(s) and/or collateral. Estimates are provided in order to advise the Debtors, the Court and other parties in interest of the approximated exposure as of a particular evaluation time.

<sup>2</sup> The LOC Proceeds are not property of the Debtors' estates. See *EOP-Colonnade of Dallas Ltd. P'ship v. Faulkner (In re Stonebridge)*, 430 F.3d 260, 269 (5th Cir. 2005).

amounts or rejection damages; (b) to estimate contingent claims and assert additional claims if contingent claims are estimated or liquidated; and (c) to assert any other claims the Claimant may have against the Debtors relating to or incidental to the Obligations and the documents referenced herein. The Claimant reserves and preserves all rights to assert any and all defense, setoff and/or recoupment against the Debtors. The Claimant reserves the right to amend and/or further supplement this Proof of Claim to, *inter alia*, (a) adjust the amount of the Claim to reflect an updated actuarial review and/or financial analysis and/or (b) include additional collateral required as a result thereof.

16. The filing of this Proof of Claim is not intended, and should not be construed as (a) an election of remedies; (b) a waiver of any past, present or future default or event of default; (c) a waiver or limitation of the Claimant's rights or defenses; (d) a waiver of the Claimant's claims against the Debtors or any of the Debtors' subsidiaries or affiliates; (e) a waiver of the Claimant's right to draw on any collateral or security; (f) a waiver of the Claimant's claims against any person, entity, property, or other parties liable to it (whether under the ACE Insurance Program or otherwise); (g) a determination as to coverage or entitlements to benefits as to coverage under the ACE Insurance Program; (h) a waiver of the ACE Companies' rights under the ACE Insurance Program, including the right to require arbitration; or (i) a waiver or release of the right to request withdrawal of the reference with respect to the subject matter of the Proof of Claim, any objection thereto, any other proceeding commenced with respect thereto, or any other proceeding that may be commenced in this case against or otherwise involving the Claimant.

17. All notices to the Claimant relating to this Proof of Claim should be sent to the Claimant as follows:

against HMC Leasing, LLC in Case No. 17-51027 (collectively, the “Claims”) by AIG Property Casualty, Inc. and its affiliates (“AIG”), and in support thereof, state as follows:

## FACTS AND PROCEDURAL HISTORY

1. On June 8, 2017, the Debtors filed voluntary petitions under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §101, *et seq.* with this Court.

2. The Debtors’ Chapter 11 cases have been jointly administered and consolidated for procedural purposes under the lead case KEH, case number 17-51014.

3. On September 21, 2017, AIG filed the Claims, asserting unsecured claims in an undetermined amount based on certain insurance services provided to KEH and HMC. The Claims are “protective” proofs of claim based on amounts owed that are related to certain insurance policies between the Debtors and AIG (“AIG Policies”).

4. On November 6, 2017, the Debtors filed the *Notice of Assumption of Executory Contracts and Unexpired Leases and Proposed Cure Costs for Such Executory Contracts and Unexpired Leases Pursuant to Debtors’ Joint Chapter 11 Plan of Reorganization as of October 17, 2017 [P-147]* [Dkt. No. 488] (the “Assumption Notice”), listing the AIG Policies as executory contracts to be assumed under the *Joint Chapter 11 Plan of Reorganization as of November 29, 2017 [P-573]* (hereinafter referred to as the “Plan”)<sup>2</sup>.

5. On December 1, 2017, this Court entered an order (the “Confirmation Order”) [P-576] confirming the Plan. The Plan became effective on December 12, 2017 [P-589] (the “Effective Date”).

6. Pursuant to Article V(D) of the Plan, upon the occurrence of the Effective Date, all Insurance Policies were deemed accepted in their entirety.

---

<sup>2</sup> Capitalized terms not defined herein are as defined in the Plan.

7. Pursuant to the Assumption Notice and the Plan, the Debtors assumed the AIG Policies.

### **RELIEF REQUESTED**

8. Out of an abundance of caution<sup>3</sup>, by this Objection, the Debtors request that the Court enter an order disallowing the Claims in their entirety.

### **BASIS FOR OBJECTION**

9. The Claims filed by AIG were protective proofs of claim. The Debtors assumed the AIG Policies under the Plan; therefore, there is no liability associated with any of these claims. Additionally, the Debtors are current with respect to the premiums and other related costs associated with the AIG Policies.

10. For the foregoing reason, the Debtors object to the Claims, and request that this Court enter an order disallowing and expunging the Claims.

### **RESERVATION OF RIGHT**

11. This Objection is limited to the grounds stated herein. Accordingly, it is without prejudice to the rights of the Debtors or any other party in interest to object to the Claims on any grounds whatsoever and the Debtors expressly reserve all further substantive or procedural objections they may have. Nothing contained herein should be construed as: (a) an admission as to the validity of all or any portion of a prepetition claim against any Debtor, except to the extent described in the Debtors' schedules; (b) a waiver of any party's right to dispute any prepetition

---

<sup>3</sup> The Assumption Notice provides:

MAY 10 2018

BY 

CHARGE OF COURT

MEMBERS OF THE JURY:

After the closing arguments, you will go to the jury room to decide the case, answer the questions that are attached, and reach a verdict. You may discuss the case with other jurors only when you are all together in the jury room.

Remember my previous instructions: Do not discuss the case with anyone else, either in person or by any other means. Do not do any independent investigation about the case or conduct any research. Do not look up any words in dictionaries or on the Internet. Do not post information about the case on the Internet. Do not share any special knowledge or experiences with the other jurors. Do not use your phone or any other electronic device during your deliberations for any reason. I will give you a number where others may contact you in case of an emergency.

Any notes you have taken are for your own personal use. You may take your notes back into the jury room and consult them during deliberations, but do not show or read your notes to your fellow jurors during your deliberations. Your notes are not evidence. Each of you should rely on your independent recollection of the evidence and not be influenced by the fact that another juror has or has not taken notes.

You must leave your notes with the bailiff when you are not deliberating. The bailiff will give your notes to me promptly after collecting them from you. I will make sure your notes are kept in a safe, secure location and not disclosed to anyone. After you complete your deliberations, the bailiff will collect your notes. When you are released from jury duty, the bailiff will promptly destroy your notes so that nobody can read what you wrote.

Here are the instructions for answering the questions.

1. Do not let bias, prejudice, or sympathy play any part in your decision.
2. Base your answers only on the evidence admitted in court and on the law that is in these instructions and questions. Do not consider or discuss any evidence that was not admitted in the courtroom.
3. You are to make up your own minds about the facts. You are the sole judges of the credibility of the witnesses and the weight to give their testimony. But on matters of law, you must follow all of my instructions.
4. If my instructions use a word in a way that is different from its ordinary meaning, use the meaning I give you, which will be a proper legal definition.
5. All the questions and answers are important. No one should say that any question or answer is not important.
6. Answer "yes" or "no" to all questions unless you are told otherwise. A "yes" answer must be based on a preponderance of the evidence unless you are told otherwise. Whenever a question requires an answer other than "yes" or "no," your answer must be based on a preponderance of the evidence unless you are told otherwise.

The term "preponderance of the evidence" means the greater weight of credible evidence presented in this case. If you do not find that a preponderance of the evidence supports a "yes" answer, then answer "no." A preponderance of the evidence is not measured by the number of witnesses or by the number of documents admitted in evidence. For a fact to be proved by a preponderance of the evidence, you must find that the fact is more likely true than not true.

A fact may be established by direct evidence or by circumstantial evidence or both. A fact is established by direct evidence when proved by documentary evidence or by witnesses who saw the act done or heard the words spoken. A fact is established by circumstantial evidence when it may be fairly and reasonably inferred from other facts proved.

7. Do not decide who you think should win before you answer the questions and then just answer the questions to match your decision. Answer each question carefully without considering who will win. Do not discuss or consider the effect your answers will have.

8. Do not answer questions by drawing straws or by any method of chance.

9. Some questions might ask you for a dollar amount. Do not agree in advance to decide on a dollar amount by adding up each juror's amount and then figuring the average.

10. Do not trade your answers. For example, do not say, "I will answer this question your way if you answer another question my way."

11. Unless otherwise instructed, the answers to the questions must be based on the decision of at least ten of the twelve jurors. The same ten jurors must agree on every answer. Do not agree to be bound by a vote of anything less than ten jurors, even if it would be a majority.

As I have said before, if you do not follow these instructions, you will be guilty of juror misconduct, and I might have to order a new trial and start this process over again. This would waste your time and the parties' money, and would require the taxpayers of this county to pay for another trial. If a juror breaks any of these rules, tell that person to stop and report it to me immediately.

**DEFINITIONS**

“Occurrence”: in the questions, below “occurrence” means the drill pipe separation that occurred on the Easterling No. 1-H well on May 11, 2010.

“Knight Oil Tools” includes its employees and, Robinson Tubular Services and its employees.

“Rippy Oil Company” includes Rippy Oil Company, and its agents, employees, or consultants, including Leo Wiggins and Larry Elkins.

“Gyrodta” means Gyrodta, and its agents and employees.

## QUESTION 1

Did Knight Oil Tools breach the implied warranty of fitness for a particular purpose, and, if so, was such breach a proximate cause of the occurrence in question?

A warranty that the goods are fit for a particular purpose is implied at the time of contracting if -

1. Knight Oil Tools had reason to know the particular purpose for which the drill pipe was required; and
2. Knight Oil Tools had reason to know that Rippy Oil Company was justifiably relying on Knight Oil Tools' skill and judgment to furnish suitable drill pipe.

There is a breach of an implied warranty of fitness for a particular purpose if at the time of lease, the drill pipe supplied by Knight Oil Tools was unfit for the particular purpose for which the drill pipe was leased.

"Proximate cause" means a cause that was a substantial factor in bringing about an occurrence, and without which cause such occurrence would not have occurred. In order to be a proximate cause, the act or omission complained of must be such that a person using ordinary care would have foreseen that the occurrence, or some similar occurrence, might reasonably result therefrom. There may be more than one proximate cause of an occurrence.

Answer "Yes" or "No."

Answer: Yes

**QUESTION 2**

Did Knight Oil Tools make a negligent misrepresentation with respect to the condition of the drill pipe at issue, on which Rippy Oil Company justifiably relied and was the proximate cause of the occurrence in question?

Negligent misrepresentation occurs when—

1. a party makes a representation in the course of his business; and
2. the representation supplies false information for the guidance of others in their business; and
3. the party making the representation did not exercise reasonable care or competence in obtaining or communicating the information.

“Proximate cause” means a cause that was a substantial factor in bringing about an occurrence, and without which cause such occurrence would not have occurred. In order to be a proximate cause, the act or omission complained of must be such that a person using ordinary care would have foreseen that the occurrence, or some similar occurrence, might reasonably result therefrom. There may be more than one proximate cause of an occurrence.

A person may not justifiably rely on a representation if there is information indicating such reliance is unwarranted.

Answer “Yes” or “No.”

Answer: yes

**QUESTION 3**

Did the negligence, if any, of those named below proximately cause the occurrence in question?

“Negligence” means failure to use ordinary care, that is, failing to do that which a person of ordinary prudence would have done under the same or similar circumstances or doing that which a person of ordinary prudence would not have done under the same or similar circumstances.

“Ordinary care” means that degree of care that would be used by a person of ordinary prudence under the same or similar circumstances.

“Proximate cause” means a cause, unbroken by any new and independent cause, that was a substantial factor in bringing about an occurrence, and without which cause such occurrence would not have occurred. In order to be a proximate cause, the act or omission complained of must be such that a person using ordinary care would have foreseen that occurrence, or some similar occurrence, might reasonably result therefrom. There may be more than one proximate cause of an occurrence.

“New and independent cause” means the act or omission of a separate and independent agency, not reasonably foreseeable, that destroys the causal connection, if any, between the act or omission inquired about and the occurrence in question and thereby becomes the immediate cause of such occurrence.

You are instructed that the occurrence of an accident is not of itself evidence of negligence.

Answer “Yes” or “No” for each of the following:

1. Rippy Oil Company ND

2. Gyrodata ND

If you answered "Yes" to Question 1 or 2 and "Yes" to one or more entities in Question 3, then answer the following question. Otherwise, do not answer the following question.

Assign percentages of responsibility only to those you found caused or contributed to cause the occurrence in question. The percentages you find must total 100 percent. The percentages must be expressed in whole numbers. The percentage of responsibility attributable to any one is not necessarily measured by the number of acts or omissions found. The percentage attributable to any one need not be the same percentage attributed to that one in answering another question.

**QUESTION 4**

For each person you found caused or contributed to cause the occurrence, find the percentage of responsibility attributable to each:

1.	Knight Oil Tools	_____ %
2.	Rippy Oil Company	_____ %
3.	Gyrodata	_____ %
	<i>Total</i>	<u>100</u> %

**QUESTION 5**

Was the Easterling No. 1-H well capable of being reproduced by drilling another well as it existed at the time of the occurrence in question?

Answer "Yes" or "No."

Answer: ND

**QUESTION 6**

What would have been the reasonable and necessary costs of drilling and equipping the Easterling 2-H well in the condition the Easterling 1-H well was equipped before the occurrence in question less the salvage value?

Do not include in your answer any amount that you find Rippy Oil Company could have avoided by the exercise of reasonable care. Do not add any amount for interest on damages, if any.

Answer separately in dollars and cents for damages, if any:

- a. The reasonable and necessary drilling and equipping costs for the Easterling No. 2-H well.

Answer: 1.5 Million

If you answered "Yes" to Question 1 or 2 as to Knight Oil ~~Company~~, then answer the following question. Otherwise, do not answer the following question.

### QUESTION 7

What is the reasonable fair market value of the Rippy Oil Company's Easterling 1-H well immediately before the occurrence in question and immediately after the occurrence in question and proximately caused by the occurrence in question?

"Fair market value" means the price a willing seller not obligated to sell can obtain from a willing buyer not obligated to buy. Do not include interest on any amount of damages you find.

Answer each question in dollars and cents, if any.

**a. Before the occurrence in question.**

Consider only evidence of fair market value immediately prior to the time of the occurrence, not at any time after the occurrence. Do not consider evidence from wells not in the same field and formation as the Easterling No. 1-H well.

Answer: 5.9 Million

**b. After the occurrence in question.**

Consider only evidence of fair market value immediate after the time of the occurrence. Do not consider evidence from wells not in the same field and formation as the Easterling No. 1-H well.

Answer: 0

**QUESTION 8**

Did Rippy fail to comply with the parties' Agreement by failing to pay the Invoices?

For the purpose of answering this question, "Invoices" means Knight Oil Tools Invoice Nos. 232983, 233524, 233853, 234340, and 234461.

Answer "Yes" or "No":

Answer: yes

**QUESTION 9**

What sum of money, if any, if paid now in cash, would fairly and reasonably compensate Knight Oil Tools for its damages, if any, that resulted from such failure to comply?

Consider this measure of damages, and none other, the total amount of the invoices.

Please answer in dollars and cents.

Answer: \$ 361,356.87

**Presiding Juror:**

1. When you go into the jury room to answer the questions, the first thing you will need to do is choose a presiding juror.
2. The presiding juror has these duties:
  - a. have the complete charge read aloud if it will be helpful to your deliberations;
  - b. preside over your deliberations, meaning manage the discussions, and see that you follow these instructions;
  - c. give written questions or comments to the bailiff who will give them to the judge;
  - d. write down the answers you agree on;
  - e. get the signatures for the verdict certificate; and
  - f. notify the bailiff that you have reached a verdict.

Do you understand the duties of the presiding juror? If you do not, please tell me now.

**Instructions for Signing the Verdict Certificate:**

1. You may answer the questions on a vote of 10 jurors. The same 10 jurors must agree on every answer in the charge. This means you may not have one group of 10 jurors agree on one answer and a different group of 10 jurors agree on another answer.
2. If 10 jurors agree on every answer, those 10 jurors sign the verdict.

If 11 jurors agree on every answer, those 11 jurors sign the verdict.

If all 12 of you agree on every answer, you are unanimous and only the presiding juror signs the verdict.

3. All jurors should deliberate on every question. You may end up with all 12 of you agreeing on some answers, while only 10 or 11 of you agree on other answers. But when you sign the verdict, only those 10 who agree on every answer will sign the verdict.

Do you understand these instructions? If you do not, please tell me now.
